Look for a moment at your college. What do you see? A lovely campus? A collection of buildings? People? Perhaps these would be the impressions of an outsider, but surely not your own. The warm and lifelong friendships made, the invaluable experiences of living and working with many different types of people, that favorite professor who has helped so much to guide your thoughts, moments spent in conversations in the grill, participating in thrilling athletic contests, that feeling of accomplishment after completing a particularly challenging project, a dance with that very special date, the enjoyment of the visiting musicians on campus, a chance to see your favorite celebrity, the pleasure of combining your talents with those of people whose interests are similar to your own in various organizations, wearing a uniform symbolic not only of your country, but also of your school, those all night gab sessions in the dorm or fraternity house, most important that feeling of pride in a worthy institution manifest in a spirit ever willing to defend the school from outside attack and especially willing to make itself known to all . . . Do you not think of these things? It is difficult to express these images either verbally or pictorially, but this has been the goal of the 1963 **Buccaneer.** Look carefully at the pages that follow and permit yourself to be enveloped in the spirit of East Tennessee State College.

University Status

On Tuesday, March 5 Governor Frank Clement signed a bill elevating East Tennessee State College to university status, effective July 1. The signing followed unanimous passage of the bill in both houses of the state legislature.

Achievement of university status climaxed the steady growth and deepening enrichment of the institution's program over the past 12 years. It also climaxed a dedicated three-year drive on the part of a group of area citizens to gain official ratification of the university quality of the institution.

The expansion and enrichment of the college program has been constant for over a decade under the able and energetic leadership of President Burgin E. Dossett, with progress intensified in 1956 when the institution was re-organized into a university structure and college departments were grouped into schools according to their academic areas.

Schools emerging from the re-organization of the college included School of Arts and Sciences, School of Education, and School of Business Administration and Economics. These joined the Graduate School, which had been in existence since 1950, in composing the new university structure. Recently a School of Health was added as an appropriate response to the growth of the institution's famous health education program.

The development of the schools was indicative of the breadth and depth of the program of the institution which was becoming known as one of the finest multi-purpose institutions of higher learning in the South. High caliber work in the liberal arts and in the sciences combined with numerous pre-professional and teacher preparation programs to produce an institution of authentic university proportions and quality. Work in special education, including remedial reading and speech and hearing, and various health areas enhanced the program by gaining wide recognition.

Degrees offered increased to include Bachelor of Arts, Bachelor of Science, Bachelor of Science in Nursing Education, Bachelor of Science in Medical Technology, and Master of Arts.

Increase of faculty and facilities was commensurate with growth of programs. The highly-trained faculty grew to almost 300 persons, with 81 faculty members holding doctoral degrees. The college library, the basic support of any sound instructional program, has over 100,000 volumes and classroom and laboratory space also has increased considerably.

Viewing this impressive development, several area citizens began in 1960 to mobilize area support of a movement to secure legislative action on achieving recognition of the broad program and high quality of the institution through changing its designation from college to university.

The drive formally opened in the winter of 1960 when the Johnson City Chamber of Commerce under the leadership of President John Smoot brought area civic leaders together in a meeting at the college. Leadership of the movement passed to Carl A. Jones, Johnson City publisher, who succeeded Mr. Smoot as Chamber of Commerce president. Mr. Jones assumed leadership of the citizens' committee for university status which emerged from the meeting in a vigorous and dedicated manner and ably piloted the movement to the successful conclusion of official recognition of East Tennessee State University.

Carl A. Jones, Johnson City publisher and chairman of the citizens' committee for university status, and Herman Robinson, state senator from Elizabethton who introduced the university status bill in the senate, beam their satisfaction as Governor Clement prepares to sign the university status bill. Also pictured are Mrs. Robinson, Mrs. Dossett, and President Dossett.

Members of the Citizens' Committee for University Status:

E. Ward King, Kingsport; Cliff Sanders, Kingsport; Byron Sites, Greenville; Tom R. Keys, Erwin; Joe Jared, Johnson City; Earl M. Reasor, Milligan; Robert H. Smith, Bristol; Charles M. Gore, Bristol; Mack Trammel, Bristol; Horace M. Barnett, Jr., Bristol; Dick Beeson, Johnson City; Mitchell Thorp, Johnson City; John Jones, Greenville; Carl McInturf, Erwin; Clyde Austin, Greenville; Judge Benn Allen, Elizabethton; Wesley Davis, Bristol; Paul Crumley, Elizabethtown; Judge George Edens, Elizabethton; and Wayne Graybeal, Roan Mountain.

Supporting the efforts of the Citizens' Committee were hosts of area organizations, including Chambers of Commerces, civic clubs, professional clubs, fraternal organizations, veterans organizations, educational organizations, and others.

Complementing the activity of the committee and the organizations was the splendid support of the governor and the legislators whose official advocacy of the measure was so complete and wholehearted.

A number of dedicated area citizens joined forces with area legislators to promote the cause of university status. Pictured with Governor Clement at the signing are Cliff Sanders, Ward King, of the citizens' committee, State Senator Herman Robinson, President Dossett, Joe Jared, Carl A. Jones, chairman, Earl Reasor, and Mack Trammel, also of the citizens' committee. The energetic and untiring efforts of the citizens' committee was an inspiring and highly effective expression of support of the college and belief in its program and was deeply appreciated by the institution.

Area members of the state legislature who supported the university status bill so staunchly are pictured with other officials at the signing. Pictured are Representative Bill Bowers, Representative Leon Cox, Senator W. A. S. Furlow, Representative R. Doyle Moore, Senator Herman Robinson, Representative James R. Carter, President Dossett, Lieutenant Governor James Bomar, and Representative David J. Torbett. In the background is Joe Jared of the citizens' committee. Area legislators not in the picture include Senator Harry Lee Senter and Representatives William L. Jenkins and Thomas G. Hull.

Dear Burgin:

Thank you for writing me on March 7, concerning the change of status of East Tennessee State College to University rank.

I appreciate your thoughtfulness and we are proud of this Institution and its outstanding program and progress which justifies its elevation.

You, the faculty and the students have every reason to be proud of this achievement and we share your pride.

With best wishes to all of you, I remain

Sincerely,

Frank G. Clement

Citizens' committee Chairman Carl A. Jones, President Dossett, Commissioner of Education J. Howard Warf, and State School Board Member Tom Devine pose with Governor Clement just before the signing. In the background is Professor John P. Lamb, Jr., Director of the East Tennessee State University School of Health.

Among school officials on hand for the signing were retiring Business Manager John Clack, School of Health Director John P. Lamb, Jr., Dean of Students and Director of Student Personnel Services Ella V. Ross, President Burgin E. Dossett, and Dean Mack P. Davis. Also pictured along with Governor Clement is State Commissioner of Education J. Howard Warf. Dean Davis and Professor Lamb played a major role in assisting President Dossett in the presentation of the institution's case during the period when the bill was going through the legislature.

These ETSU students are all smiles as Governor Clement prepares to sign the epoch-making bill. The students' joy over the signing was representative of the feelings of the student body as a whole. The pictured students, who represented the leadership of various campus groups and organizations which had been active in promoting university status, were taken to Nashville by a special plane graciously furnished by Mr. Ward King to witness the signing, meet the governor, and go on a tour of the capital. ETSC'S ELEVATION

July 1 is a significant date on this year's calendar. On that date, East Tennessee State College at Johnson City officially attains university status, and its name becomes East Tennessee State University.

We are in thorough accord with the Johnson City Press-Chronicle, which suggests that a day of celebration be set aside; that the Governor, members of the Board of Education and the Legislature be invited; that the school have open-house; that "the people" of the region join in celebrating the culmination of not only a dream — but a magnificent job of administration and growth.

East Tennessee State College today is a campus of modern construction with full facilities for its 5,600 students.

Its Administration Building is a beehive of activity.

There are new buildings for the Science and English Departments.

It has one of the finest libraries in the Appalachian region.

A new building accommodates a planetarium and the Sociology Department.

Almost continually — for some years — there has been new construction of dormitory facilities to accommodate students.

The faculty consists of 275 members and 35 per cent hold doctorate degrees.

Extension schools are operated at Kingsport and Bristol, and elsewhere. The curriculum is remarkably broad.

But it was not always so . . .

The burgeoning growth of the college has come since the end of World War II in 1945. It has come under the leadership of Dr. Burgin Dossett, its president. Dr. Dossett charted the first moves for substantial progress.

Dr. Dossett went to those early legislatures and fought for funds for new buildings, more teachers, a broader curriculum.

His leadership and example fired first the admiration of business men and women; professional people; industrial people; and parents wanting broader opportunities for their sons and daughters.

Admiration of this group turned to active support by many individuals. And individual support became a team effort in which all of upper East Tennessee has joined in the successful drive to bring university status to the college.

This growth . . . this elevation . . . is not only stimulating and cheering to us; it is a good example of what can be done when the people of a region unite behind a common goal.

It is a remarkable result of the leadership of Dr. Burgin Dossett. He built the foundation . . . and solidly. Dr. Dossett shaped the mould, and he guided its fulfillment to the present . . . there are big challenges ahead. Dr. Dossett is a big and a remarkable man. We are confident he will meet every challenge.

As Governor Clement signs University status bill, from left to right, Mrs. Bonnie Lunsfore, ETSU Alumni President, Dean Emeritus P. W. Alexander, and ETSU President Burgin E. Dossett look on.

Great Year For ETSC

Dear Editor:

This is a great year for Upper East Tennessee; university status for East Tennessee State College has been achieved!

Notwithstanding the effort on the part of the college, it could not have been possible without the great effort of the area leadership, and especially the leadership provided by Mr. Carl A. Jones and the committee of citizens who have been on the alert and functioning for more than two years to achieve this goal. We are profoundly indebted to them.

We are also deeply indebted to our legislators who gave their unstinted support to the revenue bill, without which there was no hope at all for university status. It is my hope that you will see fit to commend these legislators, either in person or by letter, for the excellent support given both the revenue bill and the bill for university status.

We feel that East Tennessee State University will be able to assist more effectively in the development of the social, economic and human resources of the area it serves than has been possible in the past. Your effort in behalf of this legislation is genuinely appreciated.

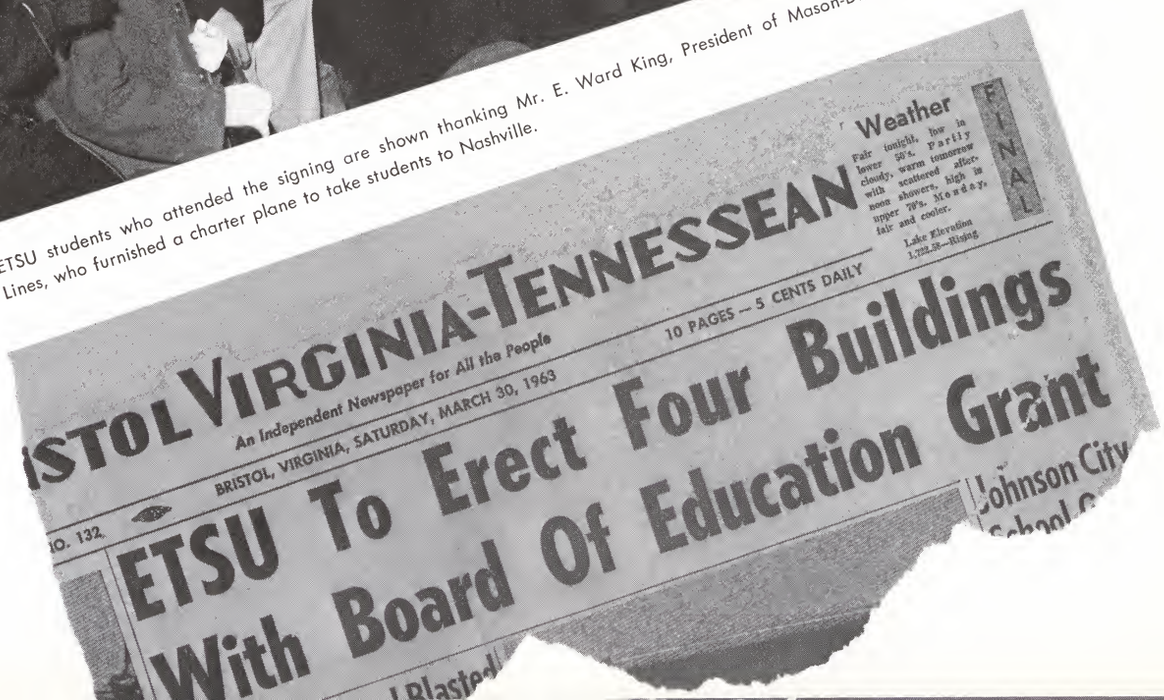

Burgin E. Dossett
President, ETSC

The first few days of college life are the most hectic ones, as students arriving from all parts of the United States are immediately plunged into a new, fast-moving, and demanding environment. Everything is fast-moving, that is, except the interminable registration lines, the first item on the agenda.

And then there is the not-so-small matter of money, that prime concern of the college student. Everybody's hand seems to be out during those first couple of days.

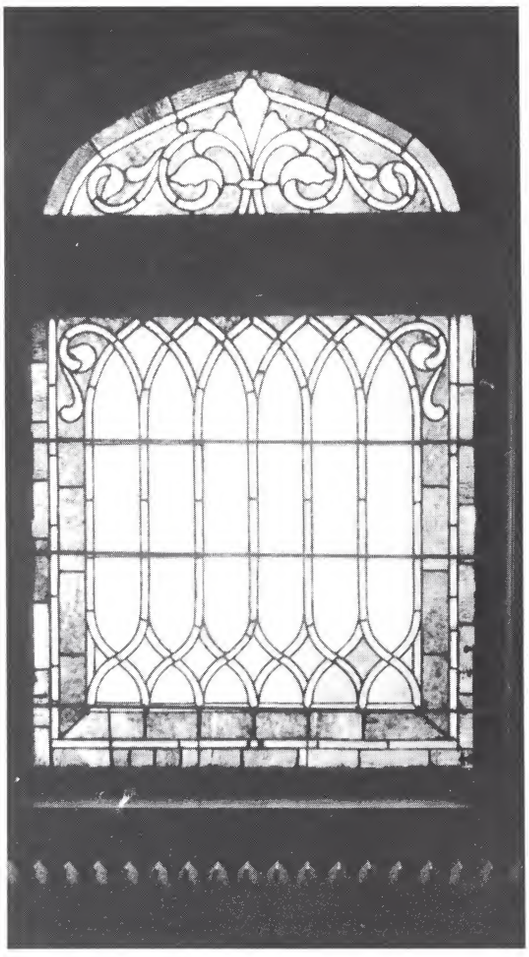

The relaxing atmosphere of the college grill provides the student with a respite from the trials of registration, a chance to sip a coke and begin enjoyment of the college's social activities.

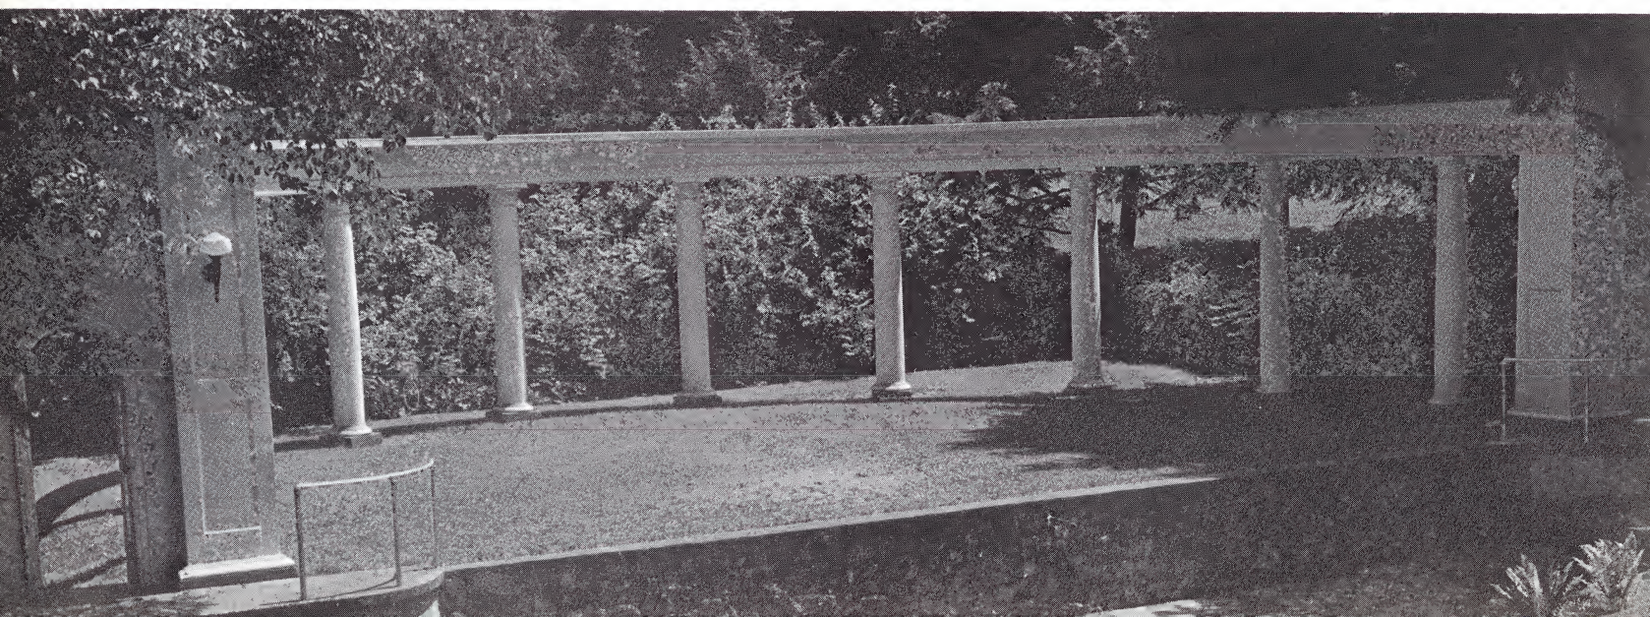

The college recognizes the importance of the spiritual life. Active religious groups on campus enable the student to identify himself with a particular faith.

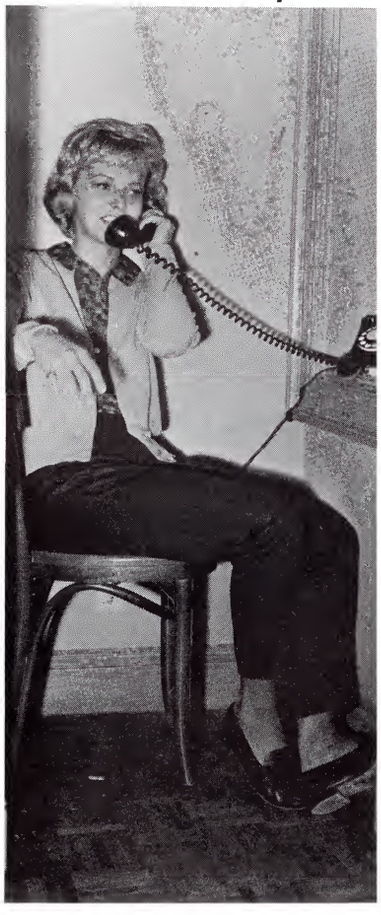

A look around the ETSC campus reminds us that the past, the present, and the future are all parts of college life. The amphitheater links the college to its own past, functional and attractive buildings display their newness, while in adjoining areas new buildings continually rise, drawing attention to the future. However, the presence of students everywhere soon focuses attention back to the all-important present, for theirs is both the inheritance of the past and the hope of the future.

Extra-curricular activities take many forms . . .

Fall Activities

Setting the pace for the busy year that is to follow, Fall Quarter begins with continuous activity. Dorm students learn to prepare for room check in two minutes, get dressed for that first period class in three, and, in general, cut the time for various chores in half in order to crowd more into their schedule.

Fraternities and sororities play a large part in early Fall Quarter activities. The Panhellenic Tea, the IFC Smoker, the excitement of parties, picking up bids, the confusion of meeting so many new people, the smiles, the clever skits, the handshakes . . . all these things and many more constitute that electric word — RUSH.

A good HAND SHAKE is a necessity for any man.

Brothers demonstrate fraternity brotherhood as the first phase of rush gets under way.

PINNING CEREMONY??? A phase of college life in which most fraternity men become well adapted.

Homecoming

East Tennessee State College celebrated perhaps its most successful Homecoming as its football team rolled triumphantly over Wofford, its campus in its most festive attire welcomed its alumni with many new improvements, and school spirit was at an all-time high. Ratting was resumed again this year for the enjoyment of all except the defenseless Rats. The more athletic Freshman Class-members raced on the football field for a trophy with David McCaslin and Arlene Stratton finishing first place in their respective divisions. The annual bicycle relay thrilled spectators on Saturday morning as Phi Eta Tau and Pi Kappa Alpha raced to victory. Dances were held on both Friday and Saturday nights to complete the social calendar for the weekend. Throughout the entire weekend, King Kenneth Willingham and Queen Carole Jones presided in their royal capacity over all activities.

Campus Decorations Display Brilliant Colors

Homecoming, 1962, was a big one in many respects. Particularly outstanding evidence of this was the size and the elaborateness of the Homecoming displays. The gymnasium was guarded by a 25' Buccaneer, while in another area of the campus the Wofford Terrier was laid to rest. The originality and colorfulness of the displays decorated the campus for students and visitors alike in grand fashion.

AOΠ's KΔ's ΔZ's Win Pike's Peak

Adding even more color to the already dazzling Homecoming celebration, Pike's Peak, true to form, thrilled hundreds of spectators and increased competition among sororities. The most beautiful girls played to a receptive audience as they vied for the titles of Best Legs, Best Figure, Miss Proxie, and others. Bobbie Johnson was selected Miss Pike's Peak. Not to be discounted were the more humorous events including egg throwing at defenseless Pike pledges, tug-of-war, Hula-hooping, and many others. Once again Pi Kuppa Alpha succeeded in contributing to campus spirit.

Janyce Winter receives 1st place for AOΠ; Linda Miller accepts 3rd place trophy for ΔZ; and Phyllis Sabo of KΔ takes 2nd place trophy.

Who's Who Among Students in American Universities and Colleges

Thirty-six of ETSC's outstanding students were selected for membership to Who's Who in American Colleges and Universities. These students were chosen on the basis of their significant contributions to college life, leadership ability, and academic achievement.

Frosh Week

Eager to catch a ride on the college merry-go-round, the in-coming freshman catch hold of the brass ring during the orientation week program. Their first opportunity to meet their fellow classmates socially is at the get-acquainted dance held in their honor in the student center ballroom. Each year the Johnson City Chamber of Commerce welcomes the frosh at a special movie in a local theater. Next comes an opportunity to meet President Burgin Dossett as he and Mrs. Dossett hold their annual reception in the President's home. Climaxing the week's activities, the freshmen display their talents for the entire student body at the Freshman Talent Show.

Kappa Delta Barnwarming

Barnwarming, Kappa Delta's annual money-making project, was a night packed with entertainment for the whole campus. The events included a turtle race, limbo contest, bingo, nail driving contest, and even a talent show, featuring entries from the other Greek organizations. The climax of the evening was the crowning of the King and Queen, a contest based on penny-voters. As a result of the whole-hearted participation of all entries, Barnwarming, 1962, was believed to be the best ever.

Greek Week End

Highlighting Spring Quarter activities was Greek Weekend, a first for the ETSC campus. This project was a cooperative movement of all Greeks orginating primarily to promote a better relationship between groups and to provide more entertainment for the campus.

The kickoff was a carnival during which Joan Haire was hailed Queen for a weekend. There followed in rapid succession a semi-formal dance, a race of the 'powder puff' variety in the form of the Sigma Phi Epsilon Fraternity Soapbox Derby, and a barbeque and informal dance at Saddle Dam Park.

Alpha Delta Pi's Diamond Day

For the second year Alpha Delta Pi sponsored a day of keen competition among fraternities. This time it was included as still another Greek Weekend activity. Beginning with a relay in traditional Greek Olympic style and concluding with the performances of Barbarshop quartets, the events entertained spectators and participants alike. Pi Kappa Alpha and Lambda Chi Alpha took top honors by successfully competing in watermelon eating, grapefruit squeezing, pyramid-building, and even car-packing.

Patch Work Players

PATCHWORK PLAYERS, as the producing organization of the department of English, Speech and Drama, selects plays to provide the entire college community of proven plays. With four years of participation, this provides the actor, crew worker, and audience a fuller range in training, experience, and exposure to good theatre.

PATCHWORK PLAYERS spotlights rich moments of recent productions. Subject matter ranged from Benet's "John Brown's Body" to the philosophical drama by "JB" by McLeish.

Honor's Day

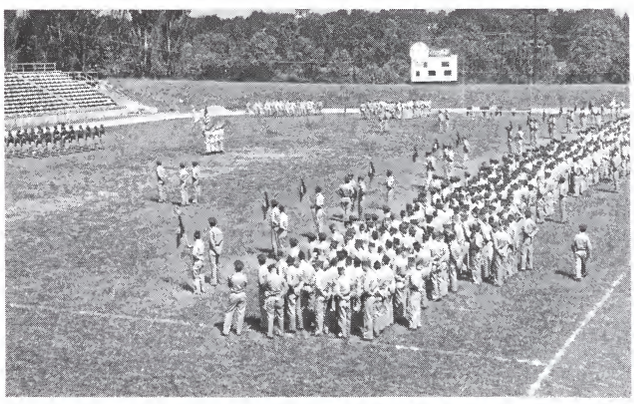

The annual Honors Day program climaxed the years work with the presentation and awards, for scholarship, participation in activities, and for out-standing individual accomplishment. The Honor's day assembly was followed by a Luncheon which was given for all those receiving awards. The May Day dance concluded the Honor's Day with the presentation of the May Court and the crowning of the King, Don Carter, and Queen Nancy Query.

With spots quadrangular of diamond form,

Ensanguined hearts, clubs typical of strife,

And spades, the emblems of untimely graves.

William Cowper.

Student Government

Richard Wilson
Student Body President

The United Student Body is organized for the purpose of carrying on the general activities of the school. Officers are elected in the spring to take office the following Fall Quarter.

The student Senate is composed of twenty Senators elected from the student body at large and meet bimonthly to discuss school policy and serve as a governmental board. The Vice President of the United Student Body serves as Chairman of the Senate and the USB Secretary is acting secretary of the group.

The House of Representatives is a body composed of a representative of each organization on campus. Its Speaker and Secretary are elected from within the group. The functions of the House are similar to those of the Senate.

Study Term Set For Mexico

East Tennessee State College again will sponsor a summer term of study in Mexico for interested area persons.

The college has arranged for a group to participate in the second summer term, July 13 to August 23, at the Monterrey Institute Technologico in Monterrey, Mexico.

The Instituto Tecnologico is accredited by the Southern Association of Colleges and Secondary Schools and the International Association of Colleges and Universities and credit for work done there may consequently be transferred back to ETSC and other schools in the United States.

The Mexican college presents students with the opportunity to participate in a comprehensive study program in an ultra-modern collegiate setting and against the background of one of the most attractive areas of Mexico.

Courses which students may take at the Instituto this summer include history, economics, geography, art, English, sociology, geology, and archeology.

The school, which is set in a scenic mountain area of Northern Mexico which enjoys a cool and pleasant summer climate, has a number of spacious new buildings, an air-conditioned library, and various recreational facilities, including two swimming pools.

Total cost of participation in the entire ETSC-sponsored program at the instituto is only $310.

Persons interested in participating in the program are urged to contact Miss Marie Harrison, associate professor of geography at the college, who is in charge of the project, as soon as is possible.

Tryouts Held By Little Theater For Next Play, "Twelfth Night"

Try-outs for the next Johnson City Little Theater play, Shakespeare's "Twelfth Night," were held Tuesday and Wednesday evenings, January 8-9 beginning at 7:30.

The production will be the annual town-gown production of the group, featuring both Little Theater players and members of East Tennessee State College's drama group. Director will be Harold Frank, ETSC Drama director.

Scene of the try-outs was the ETSC Patchwork Playhouse on the ground floor of the college library building.

The play will be presented on the evenings of February 21-22-23 and February 25-26-27, with one series to be given in the Little Theater Playhouse and the other in the Patchwork Playhouse.

It will be the third show of the 1962-1963 season for the Little Theater. In keeping with the group's custom of providing variety in the types of plays presented, the first show of the year was a comedy, with a psychological crime thriller following as the second offering. With the Shakespeare play, the group will give area theater-goers the opportunity to see a favorite comedy work by the greatest of English dramatist.

"Watauga Review" On Sale At Bookstore, Area Newsstands

THE WATAUGA REVIEW, new East Tennessee State College literary publication, is now on sale in the college book store and at Zimmerman's News Stand in Johnson City at the price of $1.00.

The publication contains articles, stories, poems, and drawings, with many of the items having been contributed by authors from over the nation who have already established themselves through publication in national magazines.

Heading the list of contributors is Professor Miller Williams of Louisiana State University who recently was honored by being named the 1963 winner of the coveted Amy Lowell Award, one of the highest honors in the nation for writers of verse.

With the content strictly in the modern vein, the contributions include articles on contemporary writers, along with other contributions.

A variety publication, the review's subjects which are treated in articles range from American religion to several modern poets. The modern approach is strongly reflected in the drawings, stories, and poems.

The publication came off the press during the Christmas holidays, with sales having been steady in area stores and newstands since publication.

THE WATAUGA REVIEW also has received favorable comment from a number of prominent people in the writing profession.

Kay Arthur, Johnson City Press-Chronicle Columnist, praised the publication for its wide variety of content.

The Press-Chronicle also devoted an editorial in its editorial tribute to the college for the contribution to area cultural possibilities which the review represents.

Oliver Taylor, advertising executive and detective story writer of Bristol, complimented the publication for its overall profession-

Author William L. Shirer To Lecture Next Thursday

William L. Shirer, internationally famous foreign correspondent and author of the long run No. 1 best-seller "The Rise and Fall of the Third Reich," will lecture at East Tennessee State College on Thursday, January 17.

Shirer will speak at 8 p.m. in Gilbreath Hall Auditorium on "The United States in World Affairs", with his lecture to be sponsored by the college's Lyceum Committee.

ETSC students and staff members will be admitted free. The lecture also is open to the general public at an admissions fee of $1.50. Tickets for the general public will be available at the door the night of the lecture beginning at 7 o'clock.

Shirer, who has lectured extensively throughout the United States for many years, will cover in his address the pressing problems now before the American people from both the national and international point of view.

Long recognized as a keen observer and highly able reporter on the state of the nation and the world, Shirer gives lectures which have come to be known as virtual front-page reports of the day's developments. His lectures are enriched with a wide variety of personal experiences as an American foreign correspondent, radio commentator and author.

To the millions of Americans who have listened to his broadcasts and who have read his best-selling Berlin Diaries, Shirer is regarded as a genius of journalism, a reporter who has the faculty of being on the scene when anything important and newsworthy occurs and one who can impart to his audiences the feeling that they too are participants.

Shirer has been the recipient of many honors, including The George Foster Peabody Award, radio's greatest prize, the Wendell Wilke One World Award for his outstanding achievements in journalism; and the Legion of Honor from France. He has been president of the Author's Guild, and is a member of the Council on Foreign Relations, the Foreign Policy Association, and the Farm Bureau.

Seven ETSC Cadets Receive Commissions

Seven graduating East Tennessee State College students have received commissions as second lieutenants in the U. S. Army.

Three of the students were designated as Distinquished Military Graduates and commissioned in the Regular Army, with the remaining four receiving commissions in the Army Reserve Component.

The students received their commissions Monday afternoon from ETSC President Burgin E. Dossett and Lt. Col. Leonard C. Barker, professor of military science at the college.

Receiving Regular Army commissions were Carl W. Brookshire, Johnson City; Bobby A. Goodwin, Bristol, Tennessee; and Ralph B. Mowery, Johnson City.

Reserve commissions were awarded to Samuel L. Allen, III, Chattanooga; Wendell L. Edwards, Relief, North Carolina; William M. Hodges, Johnson City; and Joseph W. Stacy, Jr., Galax, Virginia.

Each of the commissioned men have completed all of the college requirements for a degree as well as the ROTC program and will enter on active duty with the Army within the next year unless individual delays are issued.

Magnavox Foundation Presents School Of Health Seven TV's

East Tennessee State College's School of Health has received additional equipment for its closed circuit television facilities from an area industry.

The Magnavox Foundation of the Magnovox Company has given the school seven television receivers and two radio receivers.

With the school already possessing a television camera, it will be able to move soon as the result of the gifts into closed circuit television presentation in its various classes.

The first use of the equipment will be in the evening national emergency medical course which the school began this week.

The equipment was presented to the school by Bryon D. Sites, director of industrial relations for Tennessee Operations of the Magnavox Company.

In making the presentation, Sites said, "With Magnavox having plants in Greeneville, Morristown, Jefferson City, and Johnson City, as well as in other parts of the country, and with the company employing over 5,000 persons in the area, we have a great interest in the development of education and health in East Tennessee. And we are pleased to be able to make a contribution to this development by this gift to the East Tennessee State College School of Health."

In receiving the equipment, John P. Lamb, Jr., director of the school, declared "that the college and the School of Health are deeply grateful for this gift which will contribute to the growth of our program, and wish to applaud the Magnavox Company's generosity and interest in education which are expressed in

The program of the Baptist Student Union for Baptist preference students is varied by on-campus and off-campus activities. It participates actively in the Central Religions Council which directs the Religious Emphasis Programs on campus. Other activities include several devotional meetings a week, a daily Morning Watch, Noonday and King's Hour. Also regular socials, International Student get-togethers, choir and speaking teams, intramurals, and the YWA undergird the student's development while in college.

All Baptist activities are co-ordinated through a Programming Committee consisting of the President and five Vice-Presidents. The Vice-Presidents administer the program with the 35 member Executive Council.

BSU broadens student opportunities for service by encouraging ETSC students to serve through State and Southern Baptist Programs as student summer missionaries in the U.S. and around the world. ETSC students help support financially this summer program.

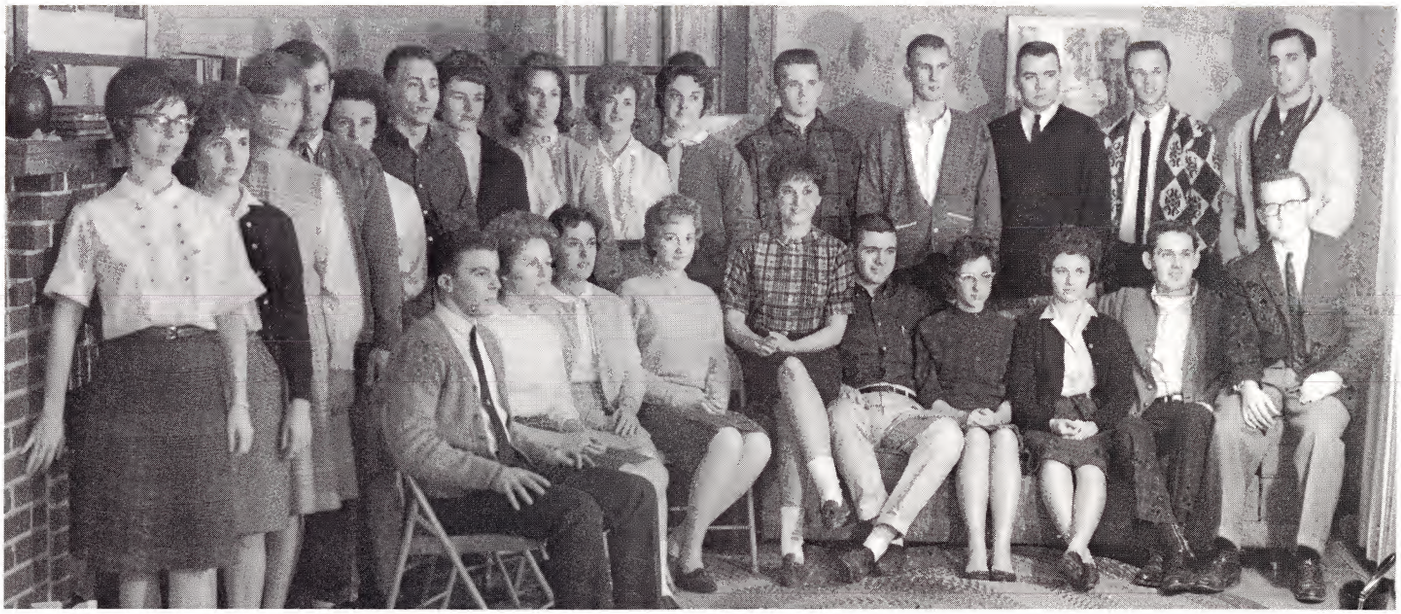

Once every five years, a Baptist World Youth Conference joins local students with Baptist students from around the world for an exchange of ideas, faith, and worship. The Conference in 1963 will be held in Beirut, Lebanon.

Panhellenic Council

The Panhellenic Council of East Tennessee State College is composed of the president of each sorority on the campus as well as two elected representatives from the seven national sororities. Two representatives serve in advisory capacity while the other votes on all business. The officers of Panhellenic are elected from the group. The presidency is rotated among the seven sororities. The purpose of the Panhellenic Council is to co-operate with college authorities in maintaining high social and scholastic standards, to be a forum for discussion, and to maintain closer interfraternity relationships.

Interfraternity Council

The Inter-Fraternity Council of East Tennessee State College is the governing board for the five national and two colonies social fraternities on this campus.

The Council is composed of two members of each fraternity, one being the president of the fraternity. This year Ron Martin served as President. The faculty sponsor for the Inter-Fraternity Council is Dean Phillip Thomas.

The activities of the group include sponsoring a program to orient freshmen about fraternities and sponsoring an interfraternity intramural program. This year the intramural program, one of the best ever sponsored by the I.F.C., is characterized by keen interest and competition.

Alpha Delta Pi

A sheaf of fragrant, purple violets ... an adelphean blue nestled close to a glowing white ... a sacred trust ... "No standard too high for Alpha Delta Pi" ... true sister love ... its founder Eugenia Tucker Fitzgerald ... the first secret society for college women ... clasped hands.

All of these spell Alpha Delta Pi — but there are no symbols, thoughts, or words that can capture the feeling of pride that the members of Gamma Phi Chapter have for their sorority. It can best be expressed through our motto, with greatest sincerity — "We live for each other."

Alpha Delta Pi was founded at Weslyan Female College, Macon, Georgia, May 15, 1851.

Alpha Omicron Pi

Alpha Omicron Pi Sorority, founded on the principles of love and friendship, had its beginning at Barnard College, Columbia University, on January 2, 1897. On April 16, 1955, Alpha Omicron Pi came to the East Tennessee State College campus.

The Jacqueminot Rose, the sorority flower, typifies the beauty of the friendship and fraternal associations among the members of Alpha Omicron Pi.

Sixty-five active Alpha Omicron Pi chapters in the United States and Canada now enjoy the key purpose of the fraternity: freindship, scholarship, leadership, and service.

The sorority activities have included first place honors in Pike's Peak, an "All Greek" tea dance, philantropic project for needy children in the Kentucky mountains and Christmas gifts of shows for needy children in a local school.

Alpha Xi Delta

Alpha Xi Delta was founded in 1893, at Lombard College, Galesburg, Illinois. Gamma Theta Chapter marked its first anniversary on February 4, 1957. The golden quill — the colors, double blue and gold — the pink Killarney rose — these are the outward symbols of Alpha Xi Delta sisters into a circle of lifelong friends.

House Parties, the annual Rose Formal, a Halloween party for the under-privilege children, a Christmas party for the children of the Speech and Hearing Clinic, and other formal and informal parties make up the Alpha Xi Delta year.

Faculty sponsors are Miss Jessie Moore and Mrs. J. Madison Brooks.

Delta Zeta was founded October 24, 1902, at Miami University, Oxford, Ohio. For the past eight years Delta Zeta has been the largest national social sorority and maintains this lead at present with 145 collegiate chapters and three colonies. The Delta Eta chapter of Delta Zeta was installed at East Tennessee State College on January 28, 1956. The sorority's colors are old rose and vieux green; the flower is the Killarney Rose; and the jewel is the diamond.

The honors bestowed on the Delta Eta chapter this year have been third-place Homecoming display award, third-place in the annual Pike's Peak contest, and a philanthrophy award from the National Convention for the chapter's work in the Speech and Hearing Clinic on campus, which is in connection with our national philanthrophy, Galludet College in Washington, D.C.

Delta Zetas are active in school activities with Who's Who students, R.O.T.C. sponsors, majorettes, Homecoming chairman, and other organizations on campus.

Annual chapter events include houseparties, Parent's Tea, Faculty Coffee, Founder's Day Banquet, Christmas party for the patients of the Speech and Hearing Clinic, Initiation Weekend, and the Spring Formal dance at which time the Delta Zeta Dream Man is announced. The present Dream Man is Jay Angel of Sigma Phi Epsilon Fraternity.

Kappa Delta

Gamma Delta Chapter of Kappa Delta Sorority was the first national sorority on the East Tennessee State College campus. It was installed November 13, 1954. Kappa Delta was founded at Longwood College, Farmville, Virginia, on October 23, 1897.

Kappa Delta started the 1962-63 year off by winning second place in Pike's peak, Homecoming Queen, and four of the five members in the Homecoming Court.

Kappa Delta is proud of their 12 elected ROTC Sponsors, including Cadet-Colonel, Three Cheerleaders, two Majorettes, one of which is Head Majorette, Fraternity Sweetheart, three Class Beauties, 7 Who's Who Members, and two members of Kappa Lambda Honorary Society. Spring Quarter Kappa Delta had members in the May Court, Greek Weekend Queen, and won the Intramural Trophy. Kappa Delta is also active in student government, dormitory offices, church organizations, and the Senior Dance Orchesis.

Kappa Deltas' main service project is with the Johnson City Girls' Club, in addition to conducting the nursery at First Methodist Church, recreation for the mentally retarded children, and volunteer work for the United Fund campaign.

Phi Mu

Kappa Kappa Chapter of Phi Mu was installed at East Tennessee State College on March 4, 1955. Phi Mu, the second largest and second oldest national women's fraternity, was founded at Wesleyan Woman's College in 1852.

Campus activities of the sorority include the annual Sadie Hawkins Day Dance, a Fraternity Tea, Informal parties, the Spring Dinner Dance, and the annual House Party. The group also assist the workers with nursery at Munsey Memorial Church. In addition to these activities Phi Mu's national project is the Toy Cart which in this area provides for children who are patients in the Johnson City Memorial Hospital.

The flower of Phi Mu is the Enchantress Carnation. The colors are rose and white.

The Advisory Council: Mrs. Glenn Spanable, Mrs. Stanley Black, Mrs. Buddy Price, Mrs. Dale Samier, Paul Coleman, Mrs. Joe Isbell, and Mrs. Julia Cross. Our Alumna Advisor is Mrs. Spanable. Our motto is LES SOEURS FIDELES — "The Faithful Sisters."

Sigma Kappa

Sigma Kappa, the youngest national sorority at East Tennessee State College, was founded at Colby College, Waterville, Maine in 1874. Gamma Lambda was installed here on March 24 and 25, 1956 by area alumnae. Sorority faculty sponsors are: Mrs. Allie Lou Gilbreath, Mrs. Edward Lodter, Miss Evangeline Hartsook, Miss Margaret Hays, and Miss Eleanor Daniells.

For two consecutive years Sigma Kappa has been the recipient of the Panhellenic Cup for most outstanding sorority in leadership, scholarship, and service, having held top scholarship among the Greeks for eight consecutive quarters. Our national service project is with the Maine Seacoast Mission. Local services include work at the Veteran's Administration and parties for the mentally retarded at Keystone School.

Sigma Kappas have received many honors here at State, including five Who's Who members, seven ROTC Sponsors, Sigma Phi Epsilon Sweetheart and Diamond Princess, sophomore class vice-president and secretary, Miss Johnson City, several dormitory officers, and many other offices in campus activities.

Sigma Kappa sponsors the annual Basketball Queen contest. Other activities include a Big-Little Sister Banquet, and dinner dance.

Lambda Chi Alpha

Lambda Chi Alpha was founded on November 2, 1909, at Boston University. Our local chapter, Iota Omicron, was chartered on April 14, 1956, after our local fraternity, Phi Beta Chi, has been colonized into Lambda Chi Alpha a year previous to this date. Lambda Chi annually sponsors the Starlight Ball at which the Crescent Girl is chosen. This year Miss Diane Burkhalter was elected to serve as the sweetheart for the coming year. The highlight of the quarter is the Lambda Chi Alpha All-Sing, which promotes competition among the Greeks in both large and small group musical selections. The program is staged for two nights, with the trophy presentations occuring on the second evening.

Lambda Chi was the first fraternity at East Tennessee State College to obtain a fraternity house, which was purchased in November of 1957. Mrs. Paul Perry is the housemother. She occupies an apartment in the fraternity house consisting of sitting room, bedroom and bath. The house accomodates thirty actives and pledges, and last year the chapter opened to its members and guests as kitchen and dining room.

Phi Alpha

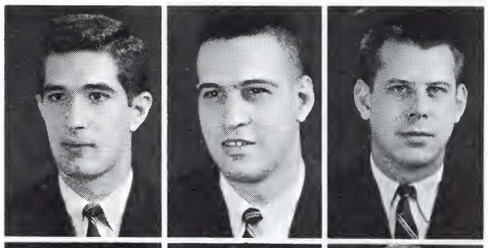

Officially founded on March 9, 1856, at the University of Alabama, Sigma Alpha Epsilon is one of the two "deep" South fraternities and belongs to the Old Line, coast-to-coast fraternities. Conservative in its growth of new chapters, SAE takes pride in its traditions and influence upon the men who affiliate with the "Sons of Minerva."

The Phi Alpha Colony of Sigma Alpha Epsilon was established at East Tennessee State College on May 5, 1960. The "Son's of Minerva" who had left their respective collegiate chapters renewed the bonds of brotherhood and requested recognition from the SAE fraternity to establish a colony at East Tennessee State College.

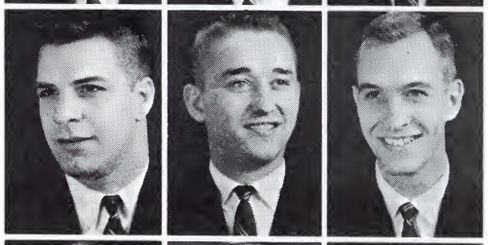

The "Red Letter Day" for Phi Alpha is fast drawing near for in June 1963 the men who have tirelessly given of their time toward the establishment of an SAE chapter at ETSC attend the National Convention of Sigma Alpha Epsilon. With the approval of all SAE chapters it is the dream of each Phi Alpha that we will begin the Fall Quarter of 1963 with a new name — that of Tennessee Alpha Chapter of Sigma Alpha Epsilon.

The sweetheart is Miss Joan Haire.

Phi Sigma Kappa

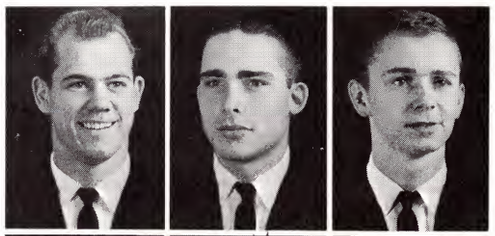

Phi Sigma Kappa became a national fraternity in 1873 and was founded at Massachusetts Agriculture school in Boston, Massachusetts. The Zeta Tetetron Chapter was initiated at East Tennessee State College on December 12, 1954.

Phi Sigma Kappa was the second fraternity on campus to purchase a fraternity house. The house is located at 715 West Maple Street. At present it will house twenty-five men.

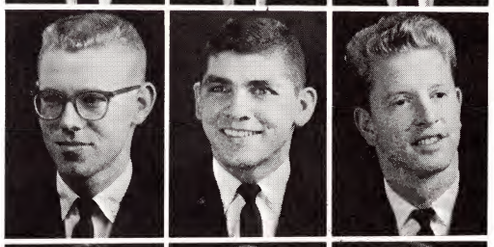

The fraternity's activities include various services to the student body, cooperation with local civic groups and an annual Christmas party for under-priviliged children.

Pi Kappa Alpha

Pi Kappa Alpha was founded at the University of Virginia on March 1, 1868. Epsilon Zeta Chapter of Pi Kappa Alpha was chartered on the East Tennessee State College campus on May 15, 1955, making it the youngest national fraternity on campus.

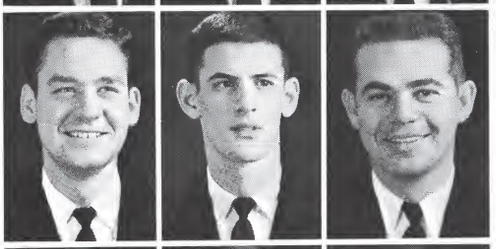

Pi Kappa Alpha's short history on the State campus has been very eventful. The fraternity is active in all school events, and has held for the seventh time Pike's Peak. This annual event, open to all sororities and this year held during Homecoming, consists of track events, beauty contests, a dance contest, and a "Miss Pike's Peak" contest.

Highlighting the Spring Quarter is the annual dinner dance at which time the Pi Kappa Alpha Dream Girl is announced. The present Dream Girl is Miss Ada White.

Pi Kappa Phi

Pi Kappa Phi social fraternity was founded on East Tennessee State College campus May 14, 1962. Nationally, it was founded in 1904 and ranks in the top 20 in size among the sixty-two in the National Interfraternity Conference. Pi Kappa Phi is 42nd in age among these groups. Only four out of 20 fraternities founded in 1904 or after have as many chapters as Pi Kappa Phi.

Pi Kappa Phi was among the first fraternities to have a national scholarship program and a national scholarship committee. The fraternity's national scholarship average ranks well above the all men's average.

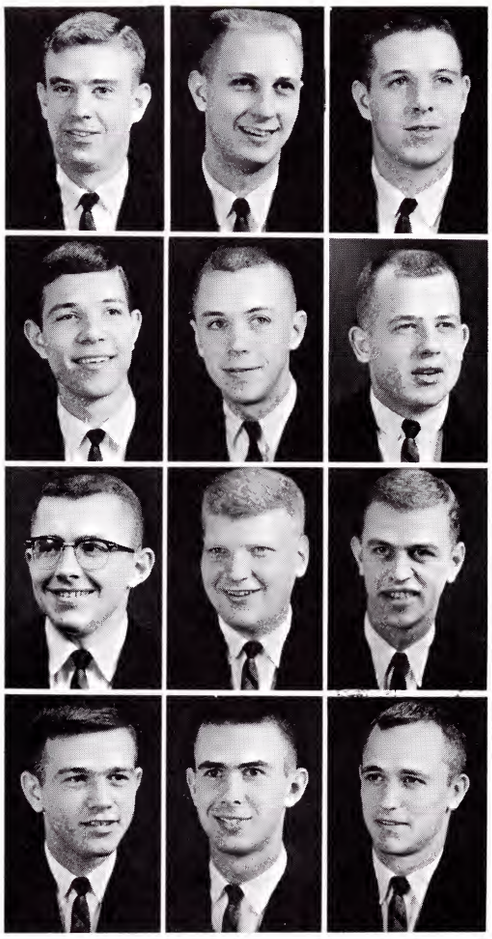

Pi Kappa Phi Fraternity provides a congenial environment. Within the "Pi Kapp" brotherhood you will find a close compact group of college men who have the same common interests which produce a spirit that can truly be called fraternal.

The fraternity flower is the Rose and the colors are blue and gold. Miss Doris Higgens is this year's Pi Kappa Phi sweetheart.

Sigma Phi Epsilon

Sigma Phi Epsilon was born in October, 1901 when twelve students gathered at Richmond College in Richmond, Virginia. At East Tennessee State College on April 10, 1954, Nu Sigma Alpha developed into the Tennessee Gamma chapter of Sigma Phi Epsilon to become the first national fraternity on campus.

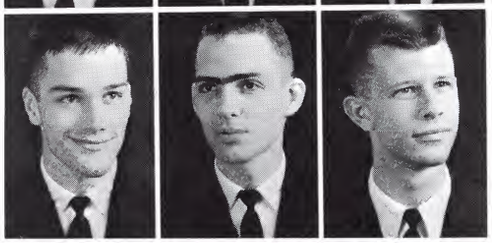

Sig Ep has been presented the Interfraternity Council Trophy for the four consecutive years that the award has been given. This trophy represents outstanding leadership, scholarship, and service. The fraternity also received the Intramurals Trophy.

The Sig Ep year includes the Sweetheart Ball, Founders' Day Banquet, Diamond Princess Dance, and Spring Formal as well as the Soapbox Derby and Christmas party for under-privileged children. The Sigma Phi Epsilon Sweetheart is Miss Ava M. Michael.

ETSC	20	Middle Tennessee	12
ETSC	14	Newberry	12

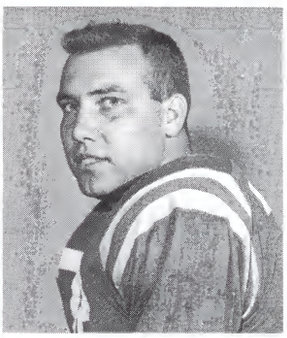

The hard-fought contest was played in a continuous downpour of rain, with defense the prim factor in the Buc victory. ETSC's first score came late in the second quarter following a 33-yard pass from Jimmy Baker to Mike Casey which carried to the Murray 20, from where Baker kicked a field goal. David Holtzclaw returned a punt to his own 36 and then drove 11 yards to get the scoring drive going. The Bucs' second score came in the fourth quarter on a 26-yard field goal by Baker after Phil Morgan had carried the ball to the Murray 22. Earlier runs by Holtzclaw had advanced the Bucs deep into Murray territory on earlier runs.

The contest was a 75-yard kick-off return by Holtzclaw who led the Bucs in rushing with 51 yards in 12 carries.

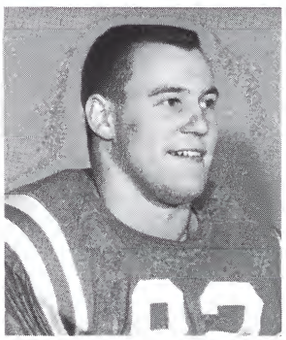

With the weather conditions being the worst possible for a football game, the victory represented an example of great determination on the part of the team, and the Bucs were well-launched on the new campaign.

This contest appeared to be the most crucial one of the season at the time it was played, since it looked like it would be the final battle for the conference crown.

The Bucs broke into the scoring column first on a 12-yard Baker-to-Hunt pass, but Eastern Kentucky bolted back in the second quarter to tie the score by halftime.

The Bucs regained the lead on a 43-yard Baker-to-Casey pass, but the Maroons pulled to 13—14 shortly afterward on a pass interception which was converted into an 85-yard touchdown run.

Eastern Kentucky went ahead to stay after a 60-yard run put the Maroons deep in scoring territory.

Baker led the rushing with 58 yards in eleven attempts.

Chattanooga 14

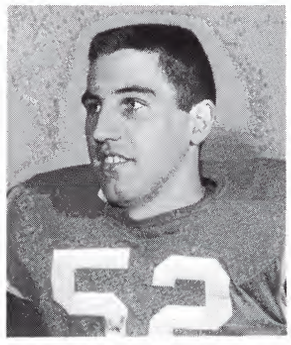

This contest was a fiercely-fought engagement, with both clubs giving their best. The Bucs challenged a prominent university eleven and almost prevailed the Bucs'.

ETSC trailed 14—7 at halftime, with lone touchdown having been achieved on a 28-yard Baker-to-Morgan pass. Baker's rushing brought the Bucs into the position for the aerial score.

The Bucs almost closed the gap in the second half when Tony Martin plunged one yard for the touchdown to bring the score to 14—13. Attempting to collect two points and victory by running the extra point play, Baker slashed inside the one but narrowly missed the markers. Again, Baker's ground work was highly instrumental in the scoring drive.

Baker was the outstanding player of the game, having passed for 199 yards and gained 35 yards on the ground. His brilliant overall performance firmly established his candidacy for Little All-America honors.

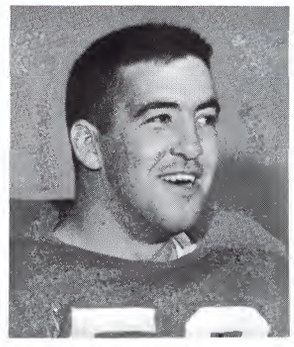

Phil Morgan displayed his talents as a receiver by bringing down three passes for 76 yards.

The Bucs broke loose in the second quarter to score 20 points. Baker dashed 48 yards to the eight from where he then smashed over for the first touchdown. The short plunges of Martin and Morgan in crucial first down situations contributed considerably to the scoring drive. Taking a punt return 60 yards down the sidelines, Baker also made the second touchdown. The third touchdown set up by Baker came on a two-yard plunge by Morgan. His key play in setting up the score was an 85-yard cut back option. Baker broke loose on his long run after Forbes had downed a Tech punt on the Buc 5. The fourth touchdown came on a two-yard plunge by Martin. The running of Williams and Martin, and a Baker pass to Hunt preceded the score.

Baker led the rushing for the contest with 143 yards in seven attempts.

This contest appeared to be the most crucial one of the season at the time it was played, since it looked as if it would be the final battle for the conference crown.

The Bucs broke into the scoring column first on a 12-yard Baker-to-Hunt pass, but Eastern Kentucky battled back in the second quarter to tie the score by halftime.

The Bucs regained the lead on a 43-yard Baker-to-Casey pass, but the Maroons pulled up to 13—14 shortly afterward on a pass interception which was converted into an 85-yard touchdown run.

Eastern Kentucky went ahead to stay after a 60-yard run put the Maroons deep in scoring territory.

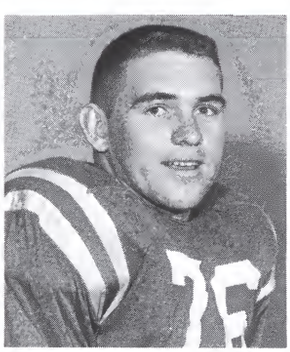

Baker led the rushing with 58 yards in 11 attempts.

The Bucs went on a rampage for a capacity crowd of returning alumni, students, and other fans, scoring on the ground, in the air, and on a field goal.

The outclassed Wofford eleven buckled on every front before the inspired Buc team. The game was highlighted by an 86-yard kick-off return by Holtzclaw, Baker's 24-yard field goal, and Clevenger's aerial recovery of a fumble and touchdown.

Holtzclaw led the rushing with 60 yards in 10 attempts. In addition to several short rushes, he turned in two thrilling long rushes, one for 29 yards, the other for 56 yards.

The Bucs scored on a 27-yard field goal in the first quarter, and then held the opposition for four downs inside the two-yard line. This was the first instance of and at times brilliant Buc defensive game.

Morehead scored twice in the second quarter behind the running of halfback Paul West who gained 132 yards in the game.

East Tennessee State College stopped three other second half Morehead threats, but was unable to get its own offense going long enough again to win the ball game. The Bucs' only threat of the second half, Baker — to Cassidy pass to the Morehead 28, was nullified by a clipping penalty.

The contest saw the Bucs at perhaps their worst on offense of the entire season.

The Bucs completely overpowered the opposition in an extremely one-sided game, with the opponents never getting closer to pay dirt than ETSC's 45-yard line.

East Tennessee State College netted 124 yards rushing compared to Austin 'Peay's 53 and attained 126 yards in the air compared to 27 for the Governors. Baker completed 10 out of 21 passes.

There were no outstanding plays, only consistent "hard-nosed" football. Touchdowns were scored by Cassidy on a run and by Couch and Casey on passes from Baker. The running of Holtzclaw and Baker also was a large factor in the Buc offense.

WILLIAM LLOYD

This was ETSC's second most crucial game of the season. The Bucs had a 3—2 conference record, Middle Tennessee State stood at 3—1, and Eastern Kentucky was 4—1 in the league. In this situation, the Bucs had to win to stay in contention for the conference crown.

Rushing and passing combined to produce the victory. The Bucs scored on a Baker-to-Clevenger pass and on runs by Baker and Morgan. Baker's passes to Holtzclaw and the running of Holtzclaw helped set up the scoring plays.

Holtzclaw led the rushing with 58 yards in 18 attempts.

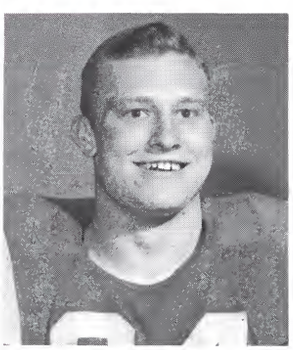

ETSC's victory, plus Morehead's upset of Eastern Kentucky the same day, threw the title race into a three-way tie for the conference crown. In addition to clinching the Bucs a share in the league title, the victory gave the Bucs one of their first wins over Middle Tennessee in several years.

ETSC ran into a surprisingly strong squad and had to fight all the way. Bucs' first score came when a bad pass from the Newberry center set the ball sailing into the end zone and Newberry managed to bring it back out only to the eight.

Highlighting the first quarter also was an 86-yard punt return for a touchdown by Baker which was called back on a clipping penalty. ETSC got its second score on a 15-yard run by Baker.

Baker led the rushing with 43 yards in eight attempts. Newberry turned out to be, after Chattanooga, the toughest non-conference team on the Buc schedule.

Jimmy (Wink) Baker, a dazzlingly brilliant junior quarterback from Rossville, Georgia, turned in the most outstanding individual performance in East Tennessee State College football history in the recently concluded 1962 gridiron campaign.

Baker ran and passed his team to a 7—3 record which won the Bucs a share of the Ohio Valley Conference title. This was the best won-lost record for ETSC since 1946.

For his performances, the crafty Rossvillian was named first team All-OVC quarter back and was named to the second Little All-American team.

Statistically, Baker led the OVC in the all-games total offense and scoring with 1,248 yards and 71 points.

For the Bucs, he led in total offense, scoring, passing, extra points, field goals, and punt returns, and was the third leading ground gainer with a 4.7 yard rushing average for 75 carries.

Baker was the offensive star of every East Tennessee State College game this year. In the opener against Murray, he kicked two field goals in a downpour of rain to win 6—3. Against Chattanooga he passed for 199 yards with an injured arm after seven idle days prior to the game. Against Tennessee Tech, Baker rushed for 143 yards, passed for 83 yards for a total of 226 and also returned a punt 62 yards for a touchdown.

Baker's coaches consider him one of the finest football players in East Tennessee State College history.

With four returning regulars, the Buccaneers of Coach Madison Brooks were destined to be the most underrated outfit in the O.V.C. Rival coaches were convinced the Bucs could develop into a full-fledged contender for top honors if the club jelled.

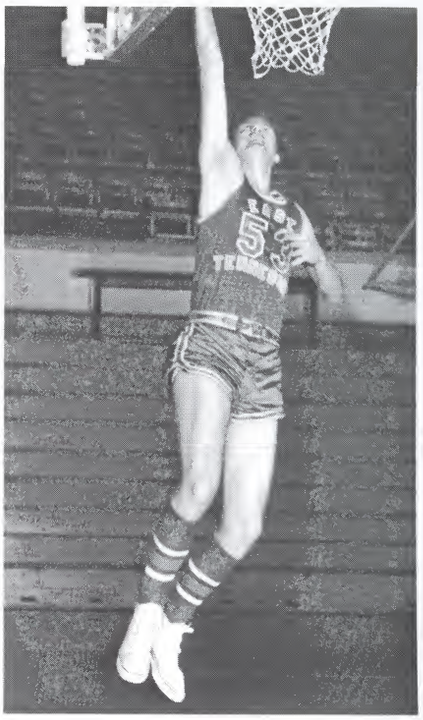

Heading the returnees were juniors Willie Malone, 5—10 guard who averaged 18.9 points last season, and 6—7 center-forward Mal Roberts, who averaged 12.7 points and 12.5 rebounds. Both rated high in the all-O.V.C. voting last year, Malone being named to the second five and Roberts to the third team.

Other returning starters were 6—4 forward Jim Riddick, a 10.2 scorer, and 6—3 forward Gary Robinette, who came along well late in the season. Four other returning monogram winners also saw plenty of action last year. They were 6—1 Gary Scheuerman and 6—0 guard Johnny Taylor. Les Phillips, 6—8 center who led the nation in field goal accuracy two years ago, before dropping out of school, was to become eligible for action early in the winter quarter.

Six members of the 15-man squad measure 6—6 or better, giving the Bucs more height than any other team in the conference.

Although the Bucs' worksheet of last season showed only an 11—14 record, three of the losses were overtime affairs, one by one point and two by two points. Last year's club lacked height and experience. This year's team had both.

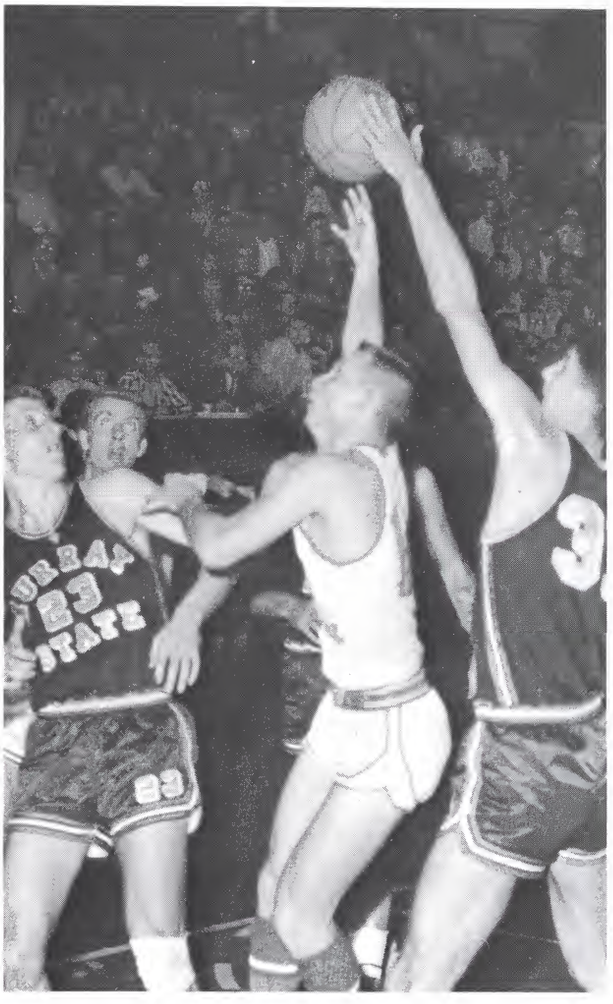

LES PHILLIPS

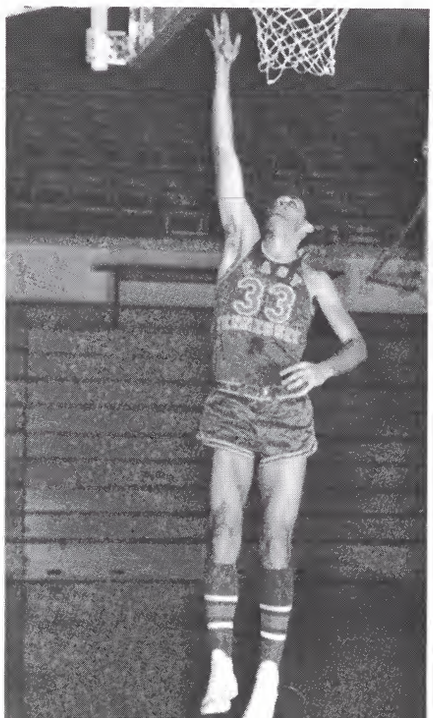

In the opening game of the season the Bucs traveled to Knoxville to do battle with the Tennessee Volunteers. This was to be a true test of the squad's ability to function as a team and not merely as individual players, and even though they went down to defeat 61—52, they displayed a great deal of potential.

The next five outings were to be played on the Buc's home court, and were to include such opponents as the University of Chattanooga and Ole Miss, the latter in the fifth annual Watauga Invitational.

The opponents prior to this Invitational included Austin Peay, Wofford, and the University of Chattanooga, and in these games, the Bucs proved to be too explosive for their opponents. They rolled over Austin Peay 88—61, put the Moccasins of Chattanooga down 59—52, and soundly defeated the Terriers of Wofford 86—63.

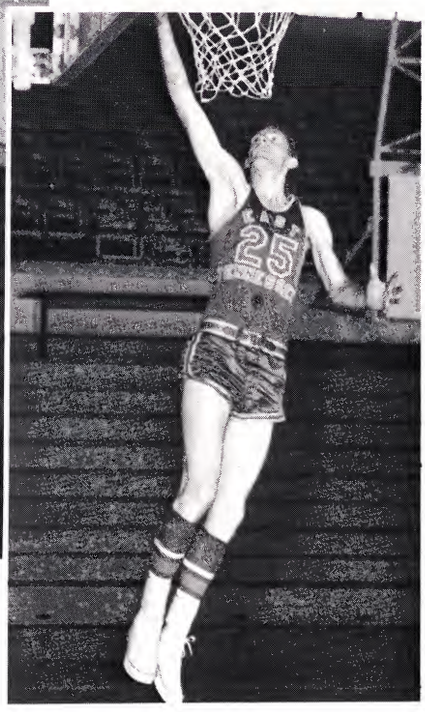

JIM RIDDICK
CAPTAIN

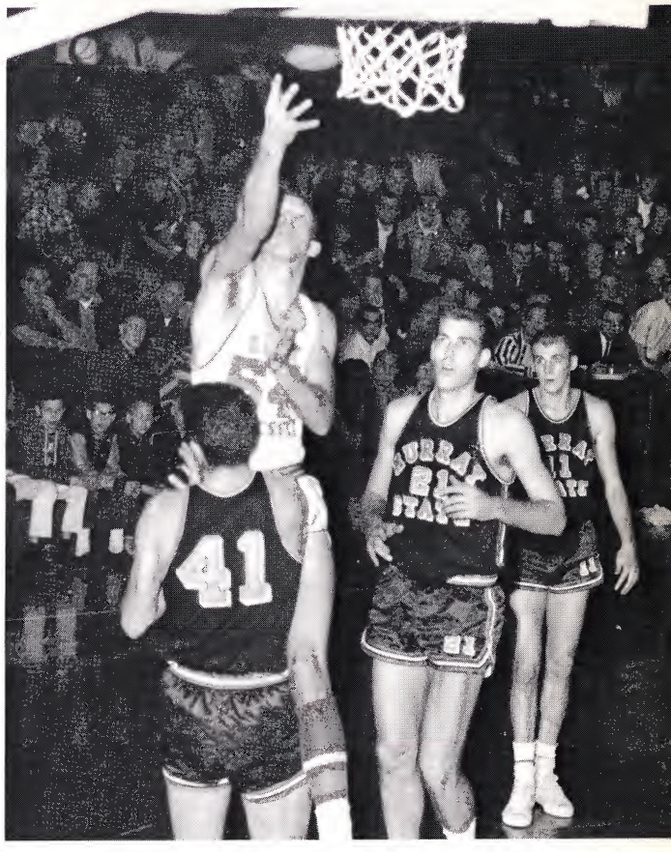

JOHNNY TAYLOR

MAL ROBERTS

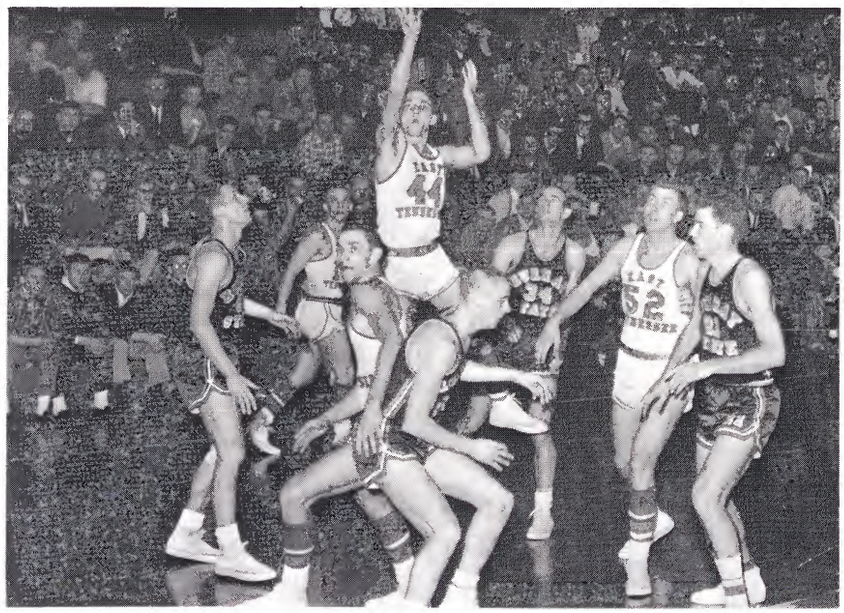

In the first game of the Invitational, the Bucs edged past The Citadel 64—61 in a hard fought ballgame. Malone and Roberts were high point men, with Riddick bringing down 12 of 40 total rebounds. In the second game, against Ole Miss, Houston Frazier put on a shooting exibition that netted him 27 points and paced the Bucs to their 61—53 victory.

Now with a five game winning streak behind them, the Bucs met Austin Play a second time, this time on the Governors' home court. In this game, Les Phillips played his first game of the season and turned in a fine performance by scoring 15 points and bringing down 8 rebounds. Malone continued to run true to form with 16, and Jim Riddick came into his own with 21 big points. Needless to say, the Bucs were victorious by a score of 83—69, lengthening their win streak to six.

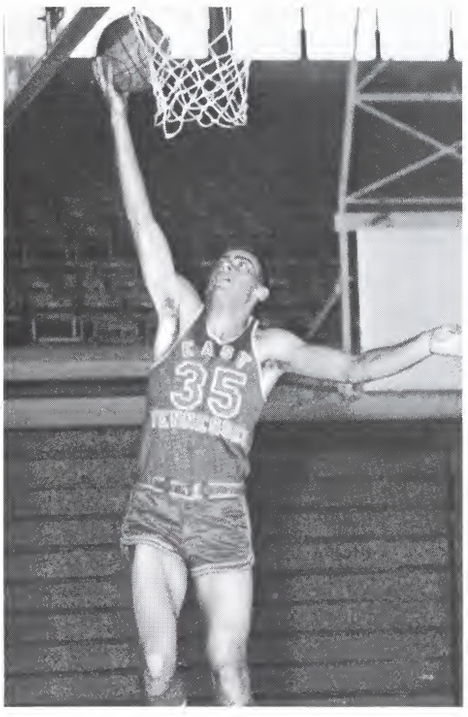

In the first conference game, the Bucs met the Blue Raiders of Middle Tennessee, who were favored to win. Mal Roberts spoiled the Raiders hopes, however, by scoring an even 20, and Les Phillips added his two cents worth in the form of an additional 15 points. The Bucs won 80—57 and began preparations for a tough battle with Eastern Kentucky on their home court. At one point in the game, the Bucs were down by as many as 20 points, but they hammered incessantly at the Eagles, and pulled it out of the bag in the final seconds on a left hand hook by Jim Riddick.

They now met Murray, the preseason favorite in the conference, and were once more victorious. The Bucs led almost the entire game, and widened a gap that Murray was unable to close. This 78—70 victory gave them an impressive 3—0 record in the conference and an even more impressive 9—1 overall.

The winning streak had pushed to nine games, and now came to a halt as the Bucs went on the road. The Bucs went cold and Tennessee Tech put them down

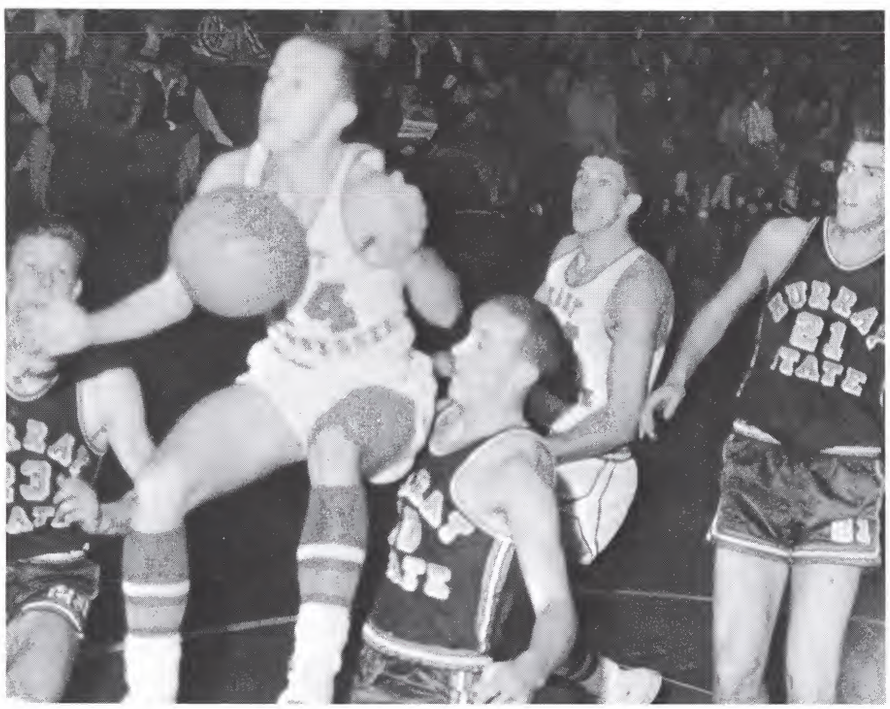

GARY SCHEUERMAN

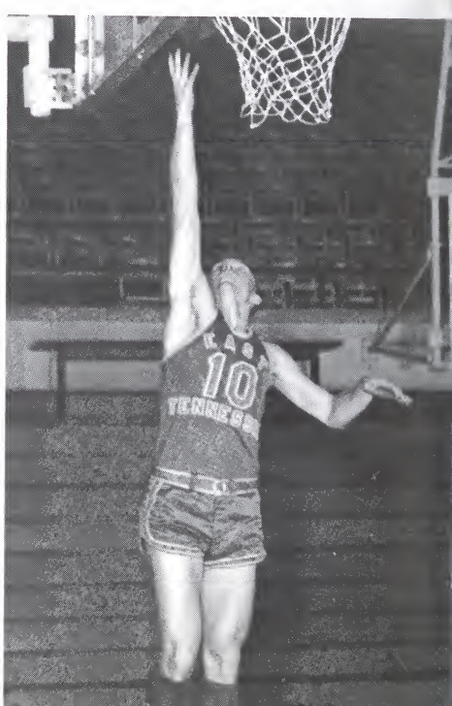

75—63 and then Murray got their revenge by putting a 79—58 defeat for the Bucs on the record books.

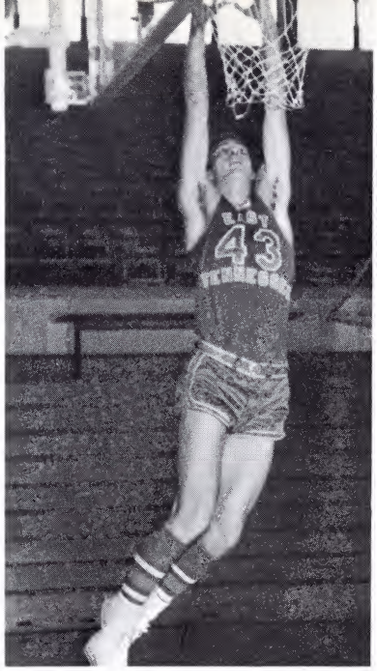

With these two losses, the Bucs needed a morale builder before they again faced Tenn. Tech, and this came at the expense of Appalachian State. They were not at their best, but their 75—60 win put them back in the win column.

Tech was out for another win over the Bucs, but they were in for a surprise. The game was close, but the home crowd

WILLIE MALONE

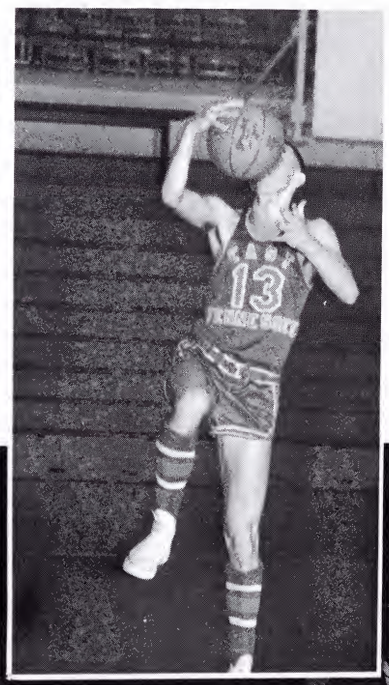

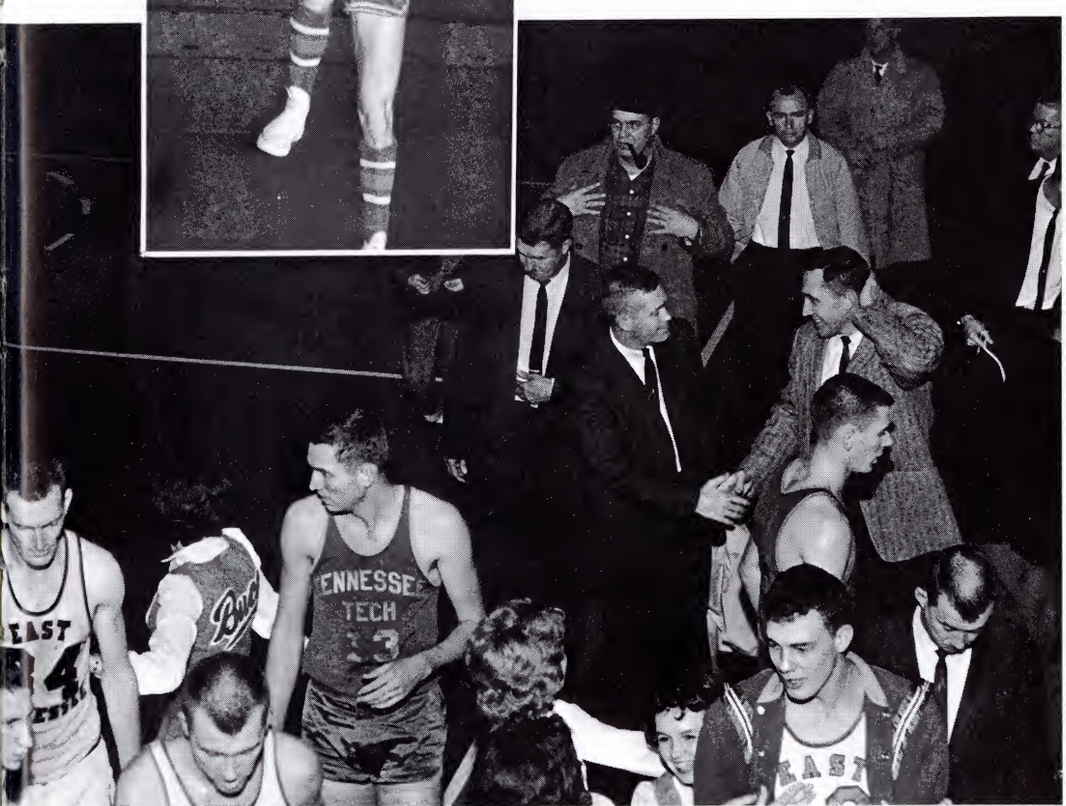

MAC STILTNER

and a balanced scoring sheet in double figures for the first five, helped the Bucs to their 73—69 win.

The next opponent was Morehead at Morehead, a tough assignment for any club. This game was also fought down to the wire, but in spite of Houston Frazier's 19 point performance, the Bucs were edged 75—71.

CLIFF GIBSON

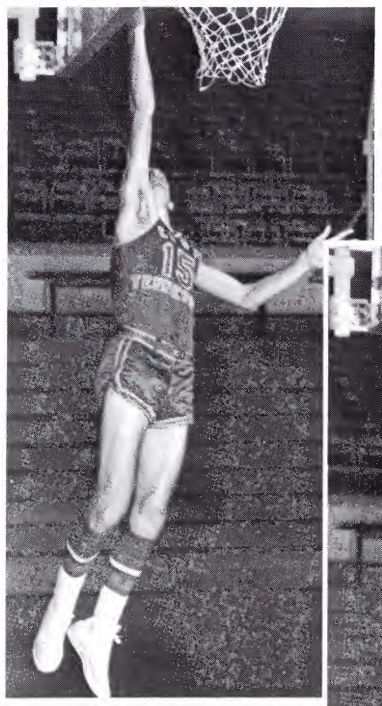

HOUSTON FRAZIER

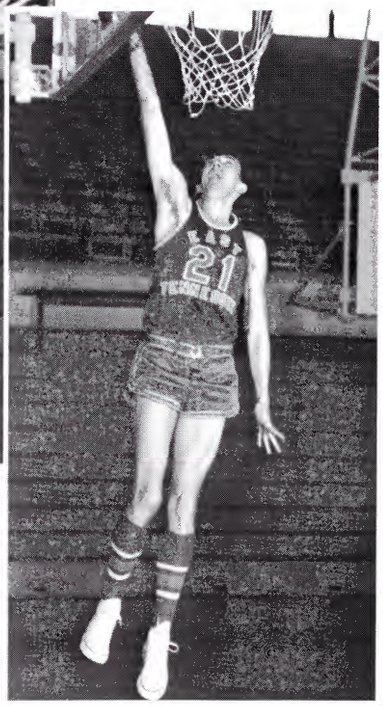

Western Kentucky now came before the guns of the Buccaneers and as many opponents before them, they too fell in defeat. Mal Roberts with 23 points and Houston Frazier with 20 paced the 82—77 win.

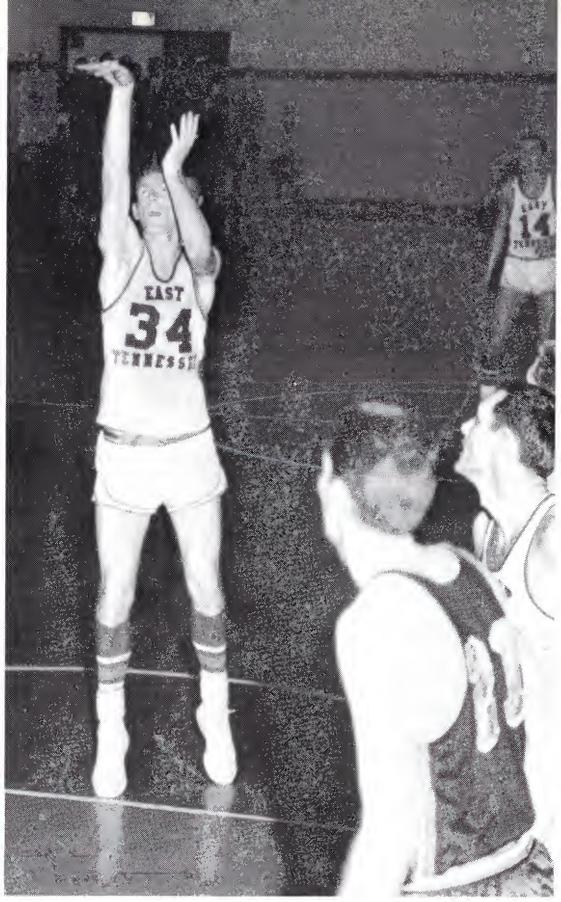

At press time, with only six games remaining, and with a 12—4 record behind them, the East Tennessee State Buccaneers were well on their way to a very successful season.

Led by Number One Man, Albert Wilkes, the only Senior on the Team, the 1963 Tennis Team moved along a rough road. Their victories came at the expense of King, Maryville, and Emory & Henry Colleges. Though hard-working, the team was handicapped by youth, inexperience, and the lack of campus tennis courts. Pictured on the opposite page is the 1963 team under the supervision of Bill McClain. Women's Intramurals

The department of Physical Education for Women is interested in making available to the students many recreational opportunities, and one way of doing this is through the Women's Intramural program. The Women's Intramural program promotes activities through the Junior and Senior Dance Orchesis, Aquatic Club, golf, contests, and tournaments in various sports. The following activities are offered: archery, badminton, golf, bowling, basketball, hiking, ping-pong, riflery, field hockey, modern dance, swimming, tennis, volleyball, speedball, and softball. This program is supervised by the Women's Physical Education Department but is carried on largely by the assistant manager, manager, and director of intramurals with the Letter Girls directing each sport.

This program is open to any girl who wishes to participate, and we encourage and welcome participation by all girls interested.

Men's Intramurals

Among our most important programs for East Tennessee State College students is the program of Intramural Athletics for men. Offering several different athletic activities, the program provides each male student with the opportunity to participate in the particular activities in which he is most interested. As a result of this comprehensive program, a great majority of the male student body is involved in healthy and enjoyable competition. Conducted on a fully organized basis by the participating students with faculty guidance, the program also presents participants with excellent opportunities for leadership development.

ROTC at State

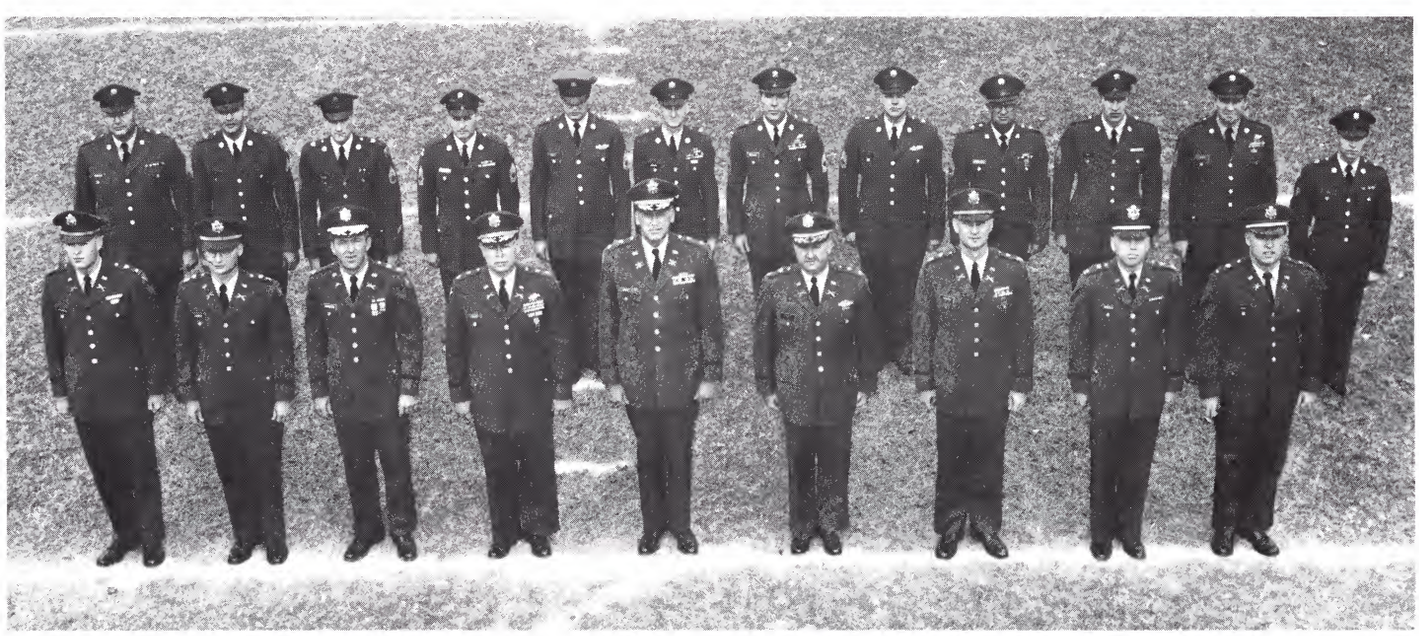

Lt. Col. Leonard C. Barker

The primary mission of the Reserve Officer Training Corps (ROTC) is to develop junior officers for the United States Army. The program of instruction covers four years for commissioning. The first two years or the basic course is a requirement for graduation of all male students attending ETSC. Those who possess essential leadership potential and the highest mental, physical, and moral qualities are selected for the two-year advanced course where further leadership training and opportunities, including a Summer Camp, are provided. Upon graduation from the college, the cadet completing successfully all four years of ROTC is commissioned a Second Lt. in the United States Army Reserve. Outstanding Cadets designated as Distinguished Military Graduates may apply for direct commissioning in the regular army. Flight training is also provided to further selected students during the advanced course.

The Cadet Corps is organized into a cadet brigade composed of four battalions of four companies each; the ROTC Band; the ROTC Honor Guard; and a Women's Sponsor Corps.

Emphasis throughout the four year program is placed on leadership, discipline, and appreciation of the organization, mission, and service to the country of the United States Army, active and reserve. The benefits to the individual, campus, community, and country of this program are immeasurable.

Corner of Main and Roan Street — Johnson City

To: All of you
From: The class of 1963

To Governor Frank Clement, President Burgin Dossett, the State Board of Education, the State Lesiglature, the Administration, the Citizens of Johnson City and Upper East Tennessee, alumni and friends throughout the state and nation, the faculty and students, and you and you and you, we the class of '63 wish to express our sincere appreciation for all that you have done for us, our fellow students, and all those who will follow us, by creating East Tennessee State University.

We are extremely proud of our new name and of you who made it possible. You may be sure that we shall do everything in our power to prove to you that your faith and confidence in our University is and will always be fully justified. We are confident that you will find endless satisfaction in the achievements of your University graduates in the years ahead. With these thoughts in mind we send you not only our expression of appreciation but our sincere affection.
